To our friends and family,  
*thank you*

From the bottom of our hearts, we would like to thank you for celebrating our wedding day with us. We felt the love and happiness all around us which made it the most memorable day of our lives.

We are truly grateful for your generous gifts and presence on our special day. We are thrilled to have started this beautiful chapter of our lives together and we look forward to sharing many more memories with you.

With love
