

So lucky to have you

so lucky to have you  
without you, we would be blue  
with you, in the world every-  
thing is bright  
nobody has a fright  
because we love you  
the sky is always blue  
you are the best  
My dream has come true  
I don't want anything  
to change,  
I Love you Nana, so  
don't go away  
Super Nana on her way!

I Love you

I Love you  
I truly do  
Stay with me  
to find you I will flee  
I will cry  
when you say good bye  
Stay with me forever  
It does not matter about  
the weather  
you make me want to  
fly  
I'm never say goodbye  
even when I'm away  
My heart will be in the  
way, I will love you  
everyday forever
