

So lucky to have you

So lucky to have you
without you, we would be blue
with you, in the world, every-
thing is bright
nobody has a fright
because we love you
the sky is always blue
you are the best
my dream has come true
I don't want anything
to change,
I Love you Nana, so
don't go away
Super Nana on her way!

I Love you

I Love you
I truly do
stay with me
to find you I will flee
I will cry
when you say good bye
stay with me forever
it does not matter about
the weather
you make me want to
fly
I'm never say goodbye
even when I'm away
my heart will be in the
way I will love you
always and my love for
