THE LIFE OF

Aaron James-Nicholls

Sunrise 22nd March 1994

Sunset 26th May 2024

Aaron was born on 22nd March 1994 to his devoted mother Yvette Nicholls and father Michael James

Aarons first home was on Gloucester Drive, Manor House.

As a toddler Aaron spent some time living in Dominica with his mum before returning to the UK where he attended his first primary school, St. Ignatius. Despite only staying there until year 3 Aaron made lifelong connections with friends from St. Ignatius.

At aged 7 Aaron and his mum moved to Enfield Lock and shortly after Aaron changed schools to a more local one, Prince of Wales.

Once again Aaron settled in well making friends easily and showing how smart and talented he was both musically and artistically. He played guitar and piano and had a great singing voice. He loved watching dragonballz and WWF on the telly.

Around this time his mum, Yvette, began fostering and Aaron welcomed many foster siblings into his home and family.

After primary school Aaron went to Enfield Grammar secondary school. He made plenty of lifelong friends here too whom he shared many fond memories with, from playing blackjack and watching anime together to clubbing and boys holidays when they were older. It was at this time that Aarons god given talent for rugby began to shine through. He played for Saracens rugby team and when he finished his GCSEs he secured a prestigious rugby scholarship at Haileybury private school to study for sixth form.

As with every facet of Aarons life he made an impact there creating firm, strong friendships throughout his time.

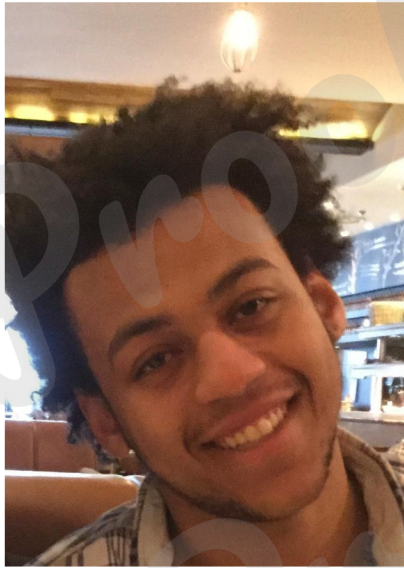

Following Haileybury Aaron went on to study at the university of Hertfordshire in Hatfield. He studied sports science and the knowledge he gained there allowed him to help many people understand their diets, nutritional needs and how to train effectively. Aaron took on a role supporting his mum with her fostering ensuring many young people had a safe and loving place to call home.

Aaron loved to travel; Barbados, Brazil, Dominica, Mexico and most recently Iceland were just a handful of the countries he managed to visit in his short life. He loved going out, meeting new people and staying in listening to lofi beats or chilling watching Rick and Morty Aaron sadly passed on 26th May 2024, 6 months to the day after his mother passed.

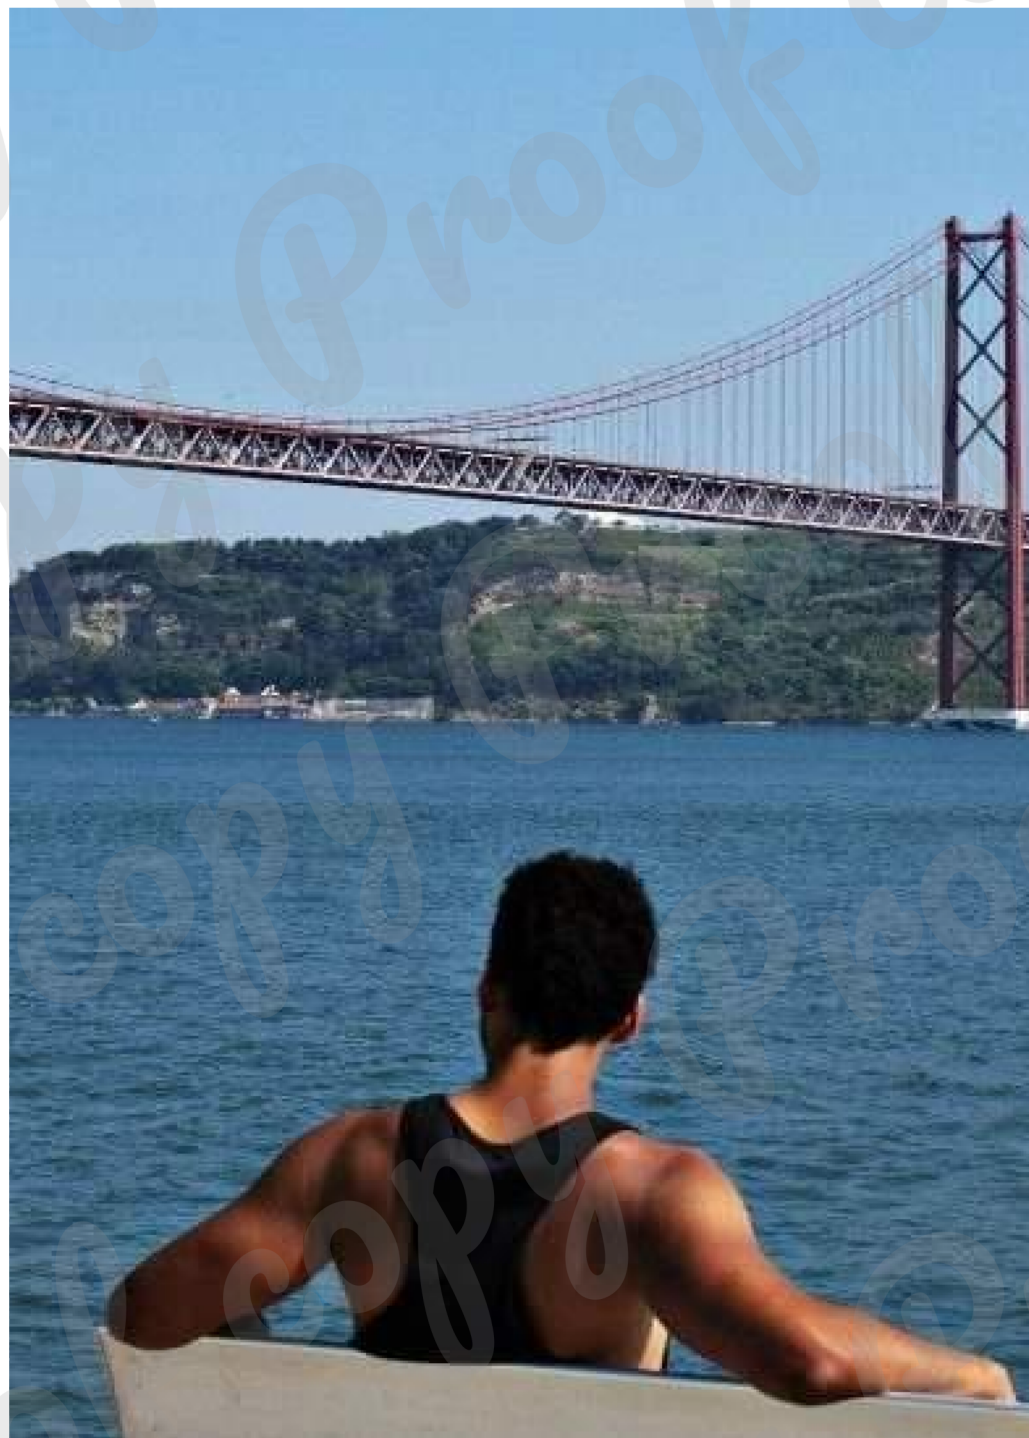

Aaron was loved by everyone that met him and will always be remembered for his larger than life presonality, silly sense of humour and gentle nature.

The tide recedes
But leaves behind
Bright seashells on the sand
The sun goes down
But gentle warmth
Still lingers on the land
The music stops
And yet it echoes on
In sweet refrains
For every joy that passes
Something beautiful remains
