OFFICIANT

To our dear family and friends,

We are so delighted that you are here today, sharing this most special moment with us; a day which we will always look back on and cherish.

We truly appreciate the multitude of sacrifices many of you have made to be here. Whether you have taken time off work; travelled by car, train or airplane or have arranged childcare, we would like to take this opportunity to thank you for all your support, kindness and love.

There are so many people we would like to mention by name, there is simply not enough room! But we would like to give a special thank you to those who have helped us make this day special, both seen and unseen, heard and unheard.

We can't let this moment pass without mentioning our beloved family and close friends who would have loved to be here but have gone on before us. We believe with all our hearts that they share in this moment, celebrating with us in the Clissold amongst the stars. A candle burns brightly in the Chapel in their memory.

We hope that you enjoy the service as much as we do - our only request is that you give it some oomph when you sing!

With all our love and good wishes,

Clara & Ben
