***WELCOME & INTRODUCTION***

***Extract from LAST JOURNEY***  
Timothy Coote - Read by Myscha Day

There is a train at the station  
With a seat reserved just for me  
I'm excited about its destination  
As I've heard it sets you free  
The trials and tribulations  
The pain and stress we breathe  
Don't exist were I am going  
Only happiness I believe  
I hope that you will be there  
To wish me on my way  
It's not a journey you can join in  
It's not your time today  
There'll be many destinations  
Some are happy, some are sad  
Each one a brief reminder  
Of the great times that we've had  
Many friends I know are waiting  
Who took an earlier train  
To greet and reassure me  
That nothing has really changed  
We'll take the time together  
To catch up on the past  
To build a new beginning  
One that will always last
