WELCOME & INTRODUCTION

Extract from LAST JOURNEY
Timothy Coote - Read by Myscha Day

There is a train at the station
With a seat reserved just for me
I'm excited about its destination
As I've heard it sets you free
The trials and tribulations
The pain and stress we breathe
Don't exist were I am going
Only happiness I believe
I hope that you will be there
To wish me on my way
It's not a journey you can join in
It's not your time today
There'll be many destinations
Some are happy, some are sad
Each one a brief reminder
Of the great times that we've had
Many friends I know are waiting
Who took an earlier train
To greet and reassure me
That nothing has really changed
We'll take the time together
To catch up on the past
To build a new beginning
One that will always last
