Hymn - Love Is Come Again, words adapted by Griselda

V 1

Now the green blade rises
From the buried grain
Wheat that in the dark earth
Many days has lain
Love lives again,
That with the dead has been
Love is come again like wheat
that springeth green

V 2

In her bed we laid her
Love that we have known
In the thought that never
She will wake again
Rise to the clouds,
The snow, the sleet and rain
Love is come again like wheat
that springeth green

V 3

*Forth she came in springtime
Like the risen grain
She that seven long months
In her bed had lain
But all around,
Her shoots and branches
seen
Love is come again like wheat
that springeth green*

V 4

*When our hearts are wintry,
Grieving or in pain
Nature's touch can bring us
Back to life again
Fields of our hearts,
That dead and bare have been
Love is come again like wheat
that springeth green*
