ANNIE'S SONG - John Denver

Poem - A Robin Came To Say Hello by Maxine Bailey

*I was missing you this morning
But I did not need to fear
As a beautiful red Robin
Came To tell me you were near*

*It settled down in front of me
And, as it looked me in the eye
I could feel your warmth and energy
Before he gently flew on by*

*Now my heart, it feels at peace again
I know you're never far away
Thank you, dearest Robin
Please come again another day*
