We'd like to thank our family & friends for travelling the distance to join us in our marriage celebration. You all have brought love, happiness and laughter to our lives and we are honoured to share this day with you.

Lastly, we would never had made it to this day without the incredible love, support and guidance shown to us by our parents.

They have provided us with the foundation to begin our life together, and have taught us the importance of love and friendship. Thank you for everything you have done to make this day - and our entire lives - so wonderful.

We love you with all of our hearts.
