WHEN TOMORROW STARTS WITHOUT ME

*When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
all filled with tears for me
I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say
I know how much you love me,
As much as I love you,
and each time that you think of me,
I know you'll miss me too
So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart*

FAREWELL DAD

*You are at peace, your soul at rest,
Though that won't stop the tears,
As we remember all those memories
We shared across the years.
Though we are no longer children
And you are no longer here,
We'll forever cherish those memories
And always hold them dear.*

FAREWELL GRANDAD

*Thankyou for all the memories you gave us,
To have and to hold,
But we'll always remember you best,
For being happy, fun and bald.
Big Granddad we miss you dearly,
You always treated us with warmth and care,
To us you always will be
A big soft teddy bear.*
