***SONGS:***

***"Pretty Woman" by Roy Orbison***

This was mum's favourite song. My dad sang it to her often and she's always loved it. Slightly cheerful for a funeral but a good way to remember her. It'll always remind me of her.

***"Bernadette" by The Four Tops***

For obvious reasons - another favourite song. She was absolutely certain they wrote this song just for her!

*When Tomorrow Starts Without Me*

David M. Romano

When tomorrow starts without me,  
And I'm not there to see,  
If the sun should rise and find your eyes  
All filled with tears for me.  
I wish so much you wouldn't cry  
The way you did today,  
While thinking of the many things  
We didn't get to say.  
I know how much you love me,  
As much as I love you,  
And each time that you think of me,  
I know you'll miss me too.  
But when tomorrow starts without me,  
Please try to understand,  
That an angel came and called my name  
And took me by the hand.  
And said my place was ready,  
In Heaven far above,  
And that I'd have to leave behind  
All those I dearly love.  
So when tomorrow starts without me,  
Don't think we're far apart,  
For every time you think of me,  
I'm right here in your heart.
