Terry's Song by Bruce Springsteen

IN LOVING MEMORY OF A WONDERFUL FRIEND

Read by Karen and Teri

All the special gifts in life
however great or small,
to have you as our friend
was the greatest gift of all.

May the winds of love blow softly
and whisper in your ear
"We love and miss you Friend
and wish that you were here"

Deep in our hearts, your life is kept to love and cherish,
not forget. No more tomorrows we can share
but yesterdays are always there.

A silent thought, a secret tear
keeps your memory ever near in our hearts forever

SIGNS by Becky Hemsley

Chosen by Olivia, read by Alyssia

There's a robin on my fence today,
A feather by my feet
A heart-shaped leaf that blows along
Beside me down the street

Your song played on the radio
This morning in the car
And just last night I could've sworn
I saw a shooting star

The sun and rain are dancing
Making rainbows in the sky
And on the slightest breeze I watch
A butterfly go by

And people might say these are not
The signs I know they are
That it is just coincidence
Your song played in the car

But there is nothing little
About the way they make me feel
The sense of peace they carry
Is both comforting and real

So keep on shooting stars to me,
Keep playing me your song
Whilst you dance atop the rainbows
And blow heart-shaped leaves along

Yes, keep on sending signs my love
I'll always look around
For your butterflies on breezes
And your feathers on the ground

MAYS REFLECTION

Death leaves a heartache no one can heal,
Love leaves a memory no one can steal.
Angels are watching over you
Wings are gently around you.
Whispering you are loved and blessed
And are being looked after.

Life is eternal and love is immortal;
And death is only a horizon,
And a horizon is nothing
Save the limit of our sight.
