To our incredible friends and family,

We are so grateful to you all for traveling near and far to celebrate with us today. We're so fortunate to have such amazing individuals in our lives that love us unconditionally and support our love. You truly are our village.

Rather than opting for traditional wedding favours, we've chosen to spread the love a little differently. In celebration of the love you have shown us and the countless ways God has blessed us throughout this wedding journey, we've decided to pay it forward.

In honor of each and every one of you, a donation has been made to two charities close to our hearts. Christine's choice was Street Child Africa who do incredible work in both Sierra Leone and Nigeria, supporting the most vulnerable children by providing access to education. Aaron's choice was Water Aid, who work globally to ensure communities have access to safe and consistent water supplies.

It's our way of extending the joy of this special day beyond ourselves, making a meaningful difference together.

Thank you for being a part of this journey.

All our love,
Aaron & Christine x
