Don't Cry For Me

Anonymous

Don't cry for me now I have died, for I am still here I am by your side,
My body is gone but my soul is here, please don't shed another tear,
I am still here I am all around, only my body lies in ground.
I am the snowflake that kisses your nose,
I am the frost, that nips your toes.
I am the sun, bringing you light,
I am the star, shining so bright.
I am the rain, refreshing the earth,
I am the laughter, I am the mirth.
I am the bird, up in the sky,
I am the cloud, that's drifting by.
I am the thoughts, inside your head,
While I'm still there, I can't be dead.
