*"Still"*  
*by Char March*

Listen. There is this silence now. This stillness.  
Gradually we will get used to it. But, for now,  
It is strange. You have left such a gap.  
Our world is in shock, holding its breath  
But listen closer – all your laughter, all your love  
is still ringing out. Still holding us.  
All our memories of you are still with us.  
All the love we shared is still in every one of us.  
And although we ache from this loss of you,  
you will always be here – as still and steady,  
and fierce, as any night's star.  
Look. You are shining  
bright through all our skies.  
We thank you  
for sharing your life with us.
