

FIRST SING

(I've had) the time of my life
Bill Medley and Jennifer Warnes

Now, I've had the time of my life
No, I never felt like this before
Yes, I swear, it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I owe it all to you

I've been waiting for so long
Now, I've finally found someone to stand by me
We saw the writing on the wall
As we felt this magical fantasy
Now, with passion in our eyes
There's no way we could disguise it secretly
So we take each other's hand
'Cause we seem to understand the urgency

Just remember
You're the one thing
I can't get enough of
So I'll tell you something
This could be love, because

(Chorus)

I've had the time of my life
No, I never felt this way before
Yes, I swear, it's the truth
And I owe it all to you

Hey, baby
With my body and soul
I want you more than you'll ever know
So, we'll just let it go
Don't be afraid to lose control, no
Yes, I know what's on your mind
When you say, "Stay with me tonight" (stay with me)
Just remember
You're the one thing
I can't get enough of
So, I'll tell you something
This could be love, because

I've had the time of my life
No, I never felt this way before
Yes, I swear (yes, I swear), it's the truth
And I owe it all to you
'Cause I've had the time of my life
And I've searched though every open door (never felt this way)
'Til I found the truth
And I owe it all to you

(Chorus, again, you catch the drift)

LAST SING

Don't wanna miss a thing

Aerosmith

I could stay awake just to hear you breathing
Watch you smile while you are sleeping
While you're far away and dreaming
I could spend my life in this sweet surrender
I could stay lost in this moment forever
Where a moment spent with you is a moment I treasure

(Chorus)

Don't wanna close my eyes
I don't wanna to fall asleep
'Cause I'd miss you baby
And I don't wanna miss a thing
'Cause even when I dream of you (even when I dream)
The sweetest dream would never do
I'd still miss you baby
And I don't wanna miss a thing

Lying close to you, feeling your heart beating
And I'm wondering what you're dreaming
Wondering if it's me you're seeing
Then I kiss your eyes
And thank God we're together
And I just wanna stay with you in this moment forever
Forever and ever

(Chorus)

I don't wanna close my eyes

I don't wanna to fall asleep

'Cause I'd miss you baby

And I don't wanna miss a thing

'Cause even when I dream of you (even when I dream)

The sweetest dream will never do

I'd still miss you baby

And I don't wanna miss a thing

I don't wanna miss one smile

And I don't wanna miss one kiss

And I just wanna be with you

Right here with you, just like this

And I just wanna hold you close

I feel your heart so close to mine

And just stay here in this moment

For all the rest of time

Yeah, yeah, yeah, yeah, yeah

(Chorus to end, you've got this!)
