

I am so sad to tell you that on Wednesday 2nd October, Geoff died very suddenly at home. He was with me and it all happened very quickly. He didn't suffer; a few minutes before he was telling me about ideas for a new story.

I will be in touch with you more personally, but I wanted you to know as soon as possible.

We are going to have a direct cremation and a small gathering for close family to scatter his ashes in Alex's wood in the Calder Valley near Halifax.

.

Love Janet
