In My Life, The Beatles, 1965.

*There are places I remember
All my life, though some have changed
Some forever not for better
Some have gone and some remain
All these places had their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life I've loved them all*

*But of all these friends and lovers
there is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more*

*Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more
In my life I love you more*

I'll Follow the Sun, The Beatles, 1964.

*One day you'll look to see I've gone
For tomorrow may rain, so I'll follow the sun
Some day you'll know I was the one
But tomorrow may rain, so
I'll follow the sun*

*And now the time has come
And so my love I must go
And though I lose a friend
In the end you'll know*

*One day you'll find that I have gone
But tomorrow may rain, so
I'll follow the sun
Yes, tomorrow may rain, so
I'll follow the sun*

*And now the time has come
And so my love I must go
And though I lose a friend
In the end you'll know*

*One day you'll find that I have gone
But tomorrow may rain, so
I'll follow the sun*
