**HYMN**  
*Abide With Me*  
Henry Francis Lyte

Abide with me, fast falls the eventide:  
The darkness deepens, Lord, with me abide:  
When other helpers fail, and comforts flee,  
Help of the helpless, O abide with me.

I need Thy presence every passing hour,  
What but thy grace can foil the tempter's power?  
Who, like thyself, my guide and stay can be?  
Through cloud and sunshine, Lord, abide with me.

Hold thou Thy cross before my closing eyes,  
Shine through the gloom, and point me to the skies,  
Heaven's morning breaks, and earth's vain shadows flee,  
In life, in death, O Lord, abide with me.

**FINAL WORDS**

Poem written by George Noble

Bright be the road that you are faring  
Light be the load that you are bearing  
Fine be the hopes that you are sharing  
Dearest and Best of all.

Fresh be the wind around you blowing  
Sweet be the songs around you flowing  
Fair be the skies above you glowing  
Dearest and Best of all.

Strong be the faith that guides your wending  
Staunch be your heart to woe unbending  
Great gifts from God on you descending  
Such is my prayer for you.

MANY HAPPY RETURNS DEAR

LOVE GEORGE - 23.12.1922
