*Look For Me In Rainbows*

*Time for me to go now, I won't say goodbye  
Look for me in rainbows, way up in the sky  
In the morning sunrise when all the world is new,  
Just look for me and love me, as you know I loved you*

*Time for me to leave you, I won't say goodbye,  
Look for me in rainbows, high up in the sky  
In the evening sunset when all the world is through, just look for me and love  
me, and I'll be close to you*

*It won't be forever, the day will come and then,  
My loving arms will hold you, when we meet again  
Time for us to part now, we won't say goodbye, look for me in rainbows,  
shining in the sky*

*Every waking moment, and all your whole life through, just look for me and  
love me, as you know I loved you*

*Just wish for me to be near you, and I'll be there with you*
