

THANK YOU

LOVE
THE BIGLANDS

What a fabulous day you helped to create,
A fusion of cultures, a love truly great.
The Sofreh Aghd, bread of heaven, sweet as honey,
Emotional speeches, decanters for charity money.

Persian dancing, swords raised high,
Traditions alive beneath the blue sky.
A wonderful theatre where all hearts combined,
With laughter and love, as rich as the red wine.

Families together, friendships so true,
Lifelong bonds that time can't undo.
With your love, support, and laughter so dear,
You made our day brighter, our hearts full of cheer.

Thank you for your gift, your wishes, your part,
For bringing your light to the depths of our heart.
