***Poem***

***"My Aunt" by Megan Stokes***

***I thought I saw her face today  
In the sparkle of the morning sun  
And then I heard an Angel say  
"Her work on earth is done"***

***I thought I heard her voice today  
Then laugh her hearty laugh  
And then I heard an Angel say  
"There's peace little one at last"***

***I thought I felt her touch today  
In the breeze that rustled by  
And then I heard the Angel say  
"The spirit never dies"***

***I thought that she had left me  
For the stars so far above  
And then I heard the Angel say  
"She left you with her love"***

***I thought I would miss her  
And never find my way  
And then I heard the Angel say  
"She's with you everyday"***
