The image features a repeating pattern of yellow and white zigzag lines forming a border around a central white rectangular area. The zigzag pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Allison Dunn*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Hugh Dunn*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron-like shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Sarah Garrard*

A decorative border with a repeating yellow zigzag pattern surrounds a central white rectangular area.

*Stuart Garrard*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Wendy Sunderland*

The image features a repeating pattern of yellow and white zigzag lines forming a border around a central white rectangular area. The pattern consists of multiple parallel lines that create a series of interlocking V-shapes pointing both up and down.

*Keith Sunderland*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron-like shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Joanne Sunderland*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Philip Evans*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Jo McCloy*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Liam McCloy*

The image features a repeating yellow and white zigzag pattern that forms a decorative border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Claire Eastall*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Paul Eastall*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron or zigzag shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Katy Stephenson*

The image features a repeating yellow and white zigzag pattern that forms a decorative border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Pat Stephenson*

The image features a repeating geometric pattern of yellow and white zig-zag lines forming a border around a central white rectangular area. The pattern consists of interlocking chevron shapes that create a complex, maze-like effect.

*Karen Michael*

The image features a repeating pattern of yellow and white zigzag lines forming a border around a central white rectangular area. The zigzag pattern is consistent on all four sides of the page.

*Darren Michael*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Elisabeth Jackson*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron or zigzag shapes that create a complex, maze-like effect. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Antony Jackson*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*To Gallagher*

The image features a repeating yellow and white zigzag pattern that forms a decorative border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Dec Gallagher*

The image features a repeating yellow and white zigzag pattern that forms a decorative border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Adam Stephenson*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines that create a series of interlocking V-shapes pointing both up and down.

*Gary Stephenson*

The image features a repeating geometric pattern of yellow and white zig-zag lines forming a border around a central white rectangular area. The pattern consists of interlocking chevron shapes that create a complex, maze-like effect.

*Samantha  
Stephenson*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Kate Gleeson*

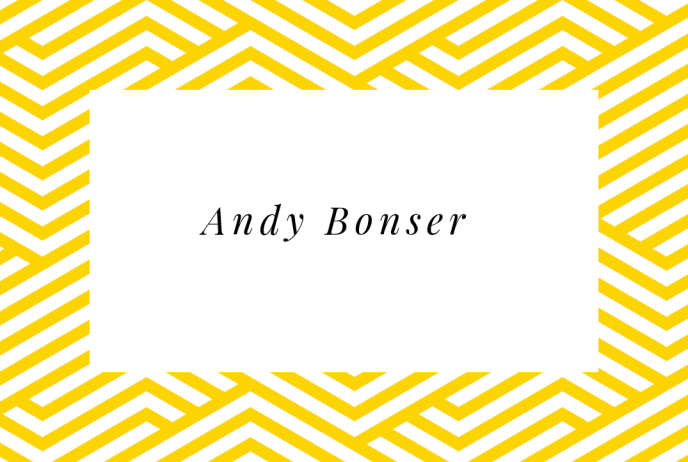

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The zigzag pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Jonny Gleeson*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron-like shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Karen Bonser*

A decorative border consisting of a repeating yellow zigzag or chevron pattern on a white background, framing the central text.

*Andy Bonser*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Sheryl Davey*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron-like shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Darren Elden*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Carole Ockmore*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Nick Ockmore*

The image features a repeating zigzag pattern of yellow and white lines that forms a decorative border around the central text. The pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Zoe Everett*

The image features a repeating zigzag pattern of yellow lines on a white background, forming a decorative border around the central text. The pattern consists of interlocking V-shapes pointing in opposite directions.

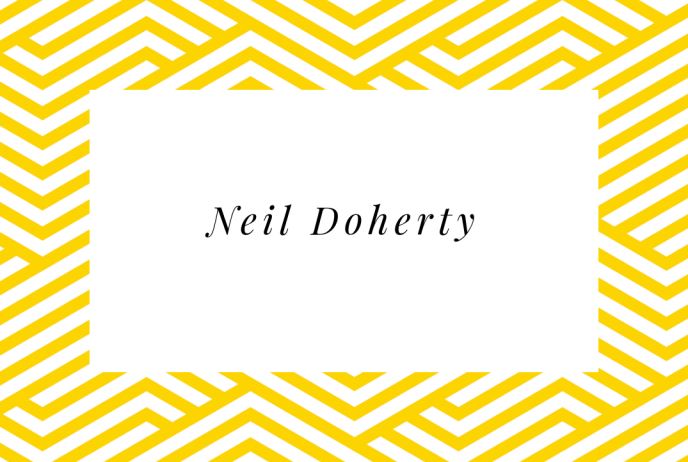

*Rennie Everett*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron-like shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Sarah Hawkins*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron-like shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Barbara Doherty*

A decorative border with a repeating yellow zigzag pattern surrounds a central white rectangular area.

*Neil Doherty*

The image features a repeating pattern of yellow and white zigzag lines forming a border around a central white rectangular area. The zigzag pattern is consistent on all four sides of the page.

*Hazel Story*

The image features a repeating yellow and white zigzag pattern that forms a decorative border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Sandy Campbell*

A decorative border with a repeating yellow zigzag pattern surrounds a central white rectangular area.

*Ed Abelson*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Toby Golding*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron or zigzag shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Briony Golding*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron shapes that create a complex, maze-like or optical illusion effect. The lines are thick and vibrant yellow, set against a white background.

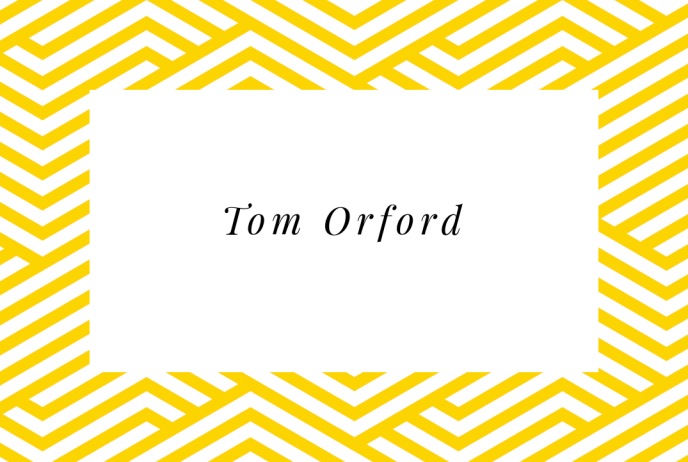

*Ali Hollingsworth*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The zigzag pattern consists of multiple parallel lines that create a series of interlocking V-shapes.

*Laurie Parrott*

A decorative border with a repeating yellow zigzag pattern surrounds a central white rectangular area.

*Sam Parrott*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Tom Orford*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Victoria Orford*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron-like shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Mia Jackson*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron or zigzag shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Jack Stephenson*

The image features a repeating zigzag pattern of yellow and white lines that forms a decorative border around the central text. The pattern consists of interlocking V-shapes pointing in opposite directions, creating a complex, geometric frame.

*Tilly Stephenson*

The image features a repeating pattern of yellow and white zigzag lines forming a border around a central white rectangular area. The zigzag pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Mike Horton*

The image features a repeating yellow and white zigzag pattern that forms a decorative border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Nicki Horton*

The image features a repeating yellow and white zigzag pattern that forms a decorative border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Will Hargreaves*

The background of the image is a repeating yellow zigzag pattern on a white background. The zigzag lines are thick and form a continuous, interlocking geometric design. In the center of the image, there is a white rectangular area with a thin black border. Inside this white area, the name 'Yvonne Hargreaves' is written in a black, italicized serif font.

*Yvonne Hargreaves*

A decorative border with a repeating yellow zigzag or chevron pattern surrounds a central white rectangular area.

*Craig Robinson*

The background of the slide is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron-like shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement.

*Sarah Brown*

A decorative border with a repeating yellow zigzag pattern surrounds a central white rectangular area.

*Karl Winter*

The image features a repeating zigzag pattern of yellow and white lines that forms a border around a central white rectangular area. The pattern consists of multiple parallel lines that create a series of interlocking V-shapes pointing both up and down.

*Sally Winter*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Ralph Evans*

A decorative border with a repeating zigzag or chevron pattern in yellow and white, framing a central white rectangular area.

*James Talbot*

The image features a repeating geometric pattern of yellow and white zig-zag lines forming a border around a central white rectangle. The pattern consists of interlocking chevron shapes that create a complex, maze-like appearance.

*Nicki Talbot*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Dan Salt*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Jacqueline Hewitt*

A decorative border made of yellow zigzag lines surrounds a white central rectangle. The zigzag pattern consists of multiple parallel lines that create a series of interlocking V-shapes.

*Peter Clark*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Mark Hill*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Sarah Hill*

The background of the image is a repeating pattern of yellow and white zigzag lines, creating a chevron effect. The pattern is composed of thick yellow lines forming a series of interlocking V-shapes.

*Elly-May Downing*

The image features a repeating zigzag pattern in yellow and white, forming a decorative border around a central white rectangular area. The pattern consists of thick yellow lines that create a series of interlocking V-shapes pointing both up and down.

*Hattie Reader*

A decorative border with a repeating yellow zigzag pattern surrounds a central white rectangular area.

*Lily Reader*

A decorative border with a repeating yellow zigzag pattern surrounds a central white rectangular area.

*Matt Bream*

The image features a repeating zigzag pattern of yellow and white lines that forms a decorative border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes pointing both up and down.

*Heather Bream*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Dan Stone*

The image features a repeating zigzag pattern of yellow and white lines that forms a decorative border around the central text. The pattern consists of interlocking V-shapes pointing in opposite directions, creating a complex, geometric frame.

*Anna Stone*

The background of the image is a repeating geometric pattern of yellow and white lines. The pattern consists of interlocking chevron-like shapes that create a complex, maze-like appearance. The lines are of uniform thickness and are arranged in a way that creates a sense of depth and movement. The overall effect is a vibrant and modern design.

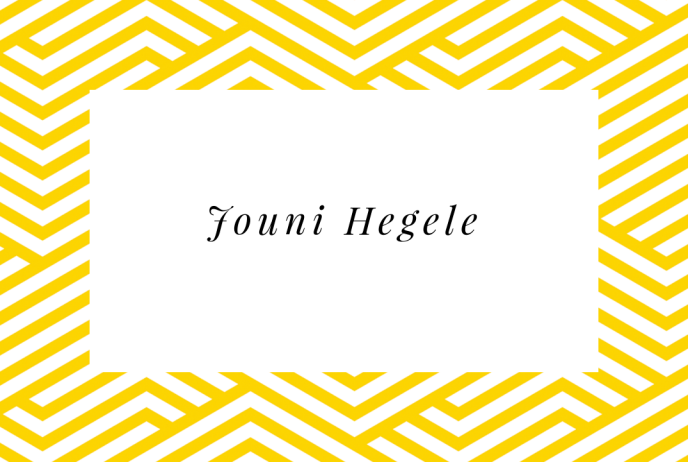

*Ernie Gibney*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Rachael McCall*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Susie Clements*

The image features a vibrant yellow zigzag border that frames a central white rectangular area. The zigzag pattern consists of thick yellow lines forming a series of interlocking V-shapes, creating a rhythmic and geometric visual effect.

*Jouni Hegele*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Maddoc Hegele*

A decorative border with a repeating yellow zigzag or chevron pattern on a white background, framing the central text.

*Suzanne Hegele*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines that create a series of interlocking V-shapes pointing both up and down.

*Matthias Hegele*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Isabel Hegele*

The image features a repeating zigzag pattern of yellow and white lines that forms a decorative border around the central text. The pattern consists of interlocking V-shapes pointing in opposite directions, creating a continuous, rhythmic geometric design.

*Tiramisu Cake*

The image features a repeating zigzag pattern of yellow and white lines that forms a decorative border around the central text. The pattern consists of interlocking V-shapes pointing in opposite directions, creating a continuous, rhythmic geometric design.

*Tiramisu Cake*

The image features a repeating zigzag pattern in yellow and white, forming a border around a central white rectangular area. The pattern consists of thick yellow lines that create a series of interlocking V-shapes pointing both up and down.

*Orange Polenta  
Cake*

The background of the image is a repeating pattern of yellow and white zigzag lines, creating a chevron effect. A white rectangular box is centered on the page, containing the text.

*Lemon Meringue  
Cake*

A decorative border with a repeating yellow zigzag pattern surrounds a central white rectangular area.

*Antony Gibney*

The image features a repeating geometric pattern of yellow and white lines forming a series of interlocking chevrons or zig-zags. This pattern frames a central white rectangular area. Inside this white area, the name "Rachel Gibney" is written in a black, italicized serif font.

*Rachel Gibney*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines on a white background, creating a series of interlocking V-shapes.

*Burgh Island*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*Huer's Hut*

The image features a repeating zigzag pattern in yellow and white, forming a border around a central white rectangular area. The pattern consists of thick yellow lines that create a series of interlocking V-shapes pointing both up and down.

*Palm Court*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Pilchard Inn*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines that create a series of interlocking V-shapes pointing both up and down.

*Sea Tractor*

The image features a repeating yellow and white zigzag pattern that forms a border around a central white rectangular area. The pattern consists of thick yellow lines forming a series of interlocking V-shapes.

*Mermaid Pool*

A decorative border with a repeating yellow zigzag pattern surrounds a central white rectangular area.

*Bigbury*

The image features a repeating yellow zigzag pattern that forms a border around a central white rectangular area. The zigzag lines are thick and create a rhythmic, geometric frame.

*HMS Ganges*

A decorative border made of yellow zigzag lines surrounds a central white rectangle. The zigzag pattern consists of multiple parallel lines that create a series of interlocking V-shapes.

*Agatha Christie*

A decorative border made of thick yellow lines forming a repeating zigzag or chevron pattern, framing a central white rectangular area.

*Noel Coward*
