MUSIC ON EXIT
As - Stevie Wonder

*Death is nothing at all
I have only slipped away into the next room
I am I and you are you
Whatever we were to each other
That we are still
Call me by my old familiar name
Speak to me in the easy way you always used
Put no difference into your tone
Wear no forced air of solemnity or sorrow
Laugh as we always laughed
At the little jokes we always enjoyed together
Play, smile, think of me, pray for me
Let my name be ever the household word that it always was
Let it be
spoken without effort
Without the ghost of a shadow in it
Life means all that it ever meant
It is the same as it ever was
Why should I be out of mind
Because I am out of sight?
I am waiting for you for an interval
Somewhere very near
Just around the corner
All is well.
Nothing is past; nothing is lost
One brief moment and all will be as it was before
How we shall laugh at the trouble of parting
When we meet again!*

BLESSING & DISMISSAL

Into the freedom of wind and sunshine

We let you go

Into the dance of the stars and the planets

We let you go

Into the wind's breath and the hands of the star maker

We let you go

*We love you, we miss you, we want you to be happy Go
safely, go dancing, go running home*
