The Barn at Botley Hill, Limpsfield Road, Titsey Hill, Surrey, CR6 9QH

By car: If you are driving, please note that using the post code for sat nav isn't always reliable. The Barn at Botley Hill is situated close to Warlingham and Tatsfield on the B269 at the top of Titsey Hill in Surrey.

There is adequate parking in the dedicated wedding car park.

Cars can be left overnight at the venue, but must be collected by 10am the next morning.

By rail: We recommend going to East Croydon and then taking a 25-minute taxi. Alternatively, you can also go to Oxted station - from there you can get a taxi for the short ride up Titsey Hill.

By taxi: If you'll be leaving by taxi, we recommend booking in advance.

Please note Uber is not reliable in the area.
