INTRODUCTION & OPENING WORDS

ALL TO STAND AND SING
"We Are Family" by Sister Sledge

We are family
I got all my sisters with me
We are family
Get up everybody and sing
We are family
I got all my sisters with me
We are family
Get up everybody and sing

Everyone can see we're together
As we walk on by
(Fly) and we fly just like birds of a feather
I won't tell no lie
(All) all of the people around us they say
Can they be that close
Just let me state for the record
We're giving love in a family dose

We are family
Yeah, yeah, ah
I got all my sisters with me
I have, I have
We are family
Get up everybody and sing
(Sing it to me)
We are family
I got all my sisters with me
We are family
Get up everybody and sing
