HYMN

I vow to thee my country, by Gustav Holst

I vow to thee, my country
All earthly things above
Entire and whole and perfect
The service of my love

The love that asks no questions
The love that stands the test
That lays upon the altar
The dearest and the best

The love that never falters
The love that pays the price
The love that makes undaunted
The final sacrifice

And there's another country
I've heard of long ago
Most dear to them that love her
Most great to them that know

“Twenty years from now, you will be more disappointed by the things you didn’t do than those you did. So throw off the bowlines. Sail away from safe harbor. Catch the wind in your sails. Explore. Dream. Discover.”
