# *Golden Life*

*As I grow old  
I see education is gold  
Read, write, add  
Regardless, lass or lad  
Study whole life long  
Keep control, be strong*

*As I grow old  
I see the earth is gold  
Grow, everything grow  
Enjoy the food you sow  
Mother Nature provides  
She adorns the countryside*

*As I grow old  
I see life is gold  
Tongue sweet as honey  
Value love over money  
Respect one another  
Appreciate children and mother*
