Bridal Procession: Bridal March from Lohengrin - Wagner **THE ENTRY OF THE BRIDE**

Hymn – Lord of the dance

I danced in the morning When the world was begun,
And I danced in the moon and the stars and the sun,
And I came down from heaven And I danced on the earth,
At Bethlehem I had my birth.

Chorus:

Dance, then, wherever you may be,
I am the Lord of the Dance, said he,
And I'll lead you all, wherever you may be,
And I'll lead you all in the Dance, said he.

I danced for the scribe and the pharisee,
But they would not dance, and they wouldn't follow me.
I danced for the fishermen, For James and John —
They came with me and the Dance went on.

Chorus

I danced on the Sabbath and I cured the lame;
The holy people said it was a shame.
They whipped and they stripped and they hung me on high,
And they left me there on a Cross to die.

Chorus

I danced on a Friday when the sky turned black —
It's hard to dance with the devil on your back.
They buried my body and they thought I'd gone,
But I am the Dance, and I still go on.

Chorus

They cut me down and I leapt up high;
I am the life that'll never, never die;
I'll live in you if you'll live in me —
I am the Lord Of the Dance, said he.

Chorus

From this day forward, you shall not walk alone.
My heart will be your shelter, and my arms will be your home.
