***Music Visiting Hours by Ed Sheeran***

I wish that heaven had visiting hours  
So I could just show up and bring the news  
That she's gettin' older and I wish that you'd met her  
The things that she'll learn from me, I got them all from you  
Can I just stay a while and we'll put all the world to rights?  
The little ones will grow and I'll still drink your favorite wine  
And soon, they're going to close, but I'll see you another day  
So much has changed since you've been away

I wish that heaven had visiting hours  
So I could just swing by and ask your advice  
What would you do in my situation? I haven't a clue how I'd even raise them  
What would you do? 'Cause you always do what's right  
Can we just talk a while until my worries disappear?

I'd tell you that I'm scared of turnin' out a failure  
You'd say, "Remember that the answer's in the love that we create"

So much has changed since you've been away  
I wish that heaven had visiting hours  
And I would ask them if I could take you home  
But I know what they'd say, that it's for the best  
So I will live life the way you taught me, and make it on my own  
And I will close the door, but I will open up my heart  
And everyone I love will know exactly who you are  
'Cause this is not goodbye, it is just 'til we meet again  
So much has changed since you've been away

*Remembering Hilda*

*Music Jealous of The Angles By Donna Taggart*

I didn't know today would be our last  
Or that I'd have to say goodbye to you so fast  
I'm so numb, I can't feel anymore  
Prayin' you'd just walk back through that door  
And tell me that I was only dreamin'  
You're not really gone as long as I believe  
There will be another angel  
Around the throne tonight  
Your love lives on inside of me  
And I will hold on tight  
It's not my place to question  
Only God knows why  
I'm just jealous of the angels  
Around the throne tonight  
You always made my troubles feel so small  
And you were always there to catch me when I'd fall  
In a world where heroes come and go  
Well God just took the only one I know  
So I'll hold you as close as I can  
Longing for the day, when I see your face again  
But until then  
God must need another angel  
Around the throne tonight  
Your love lives on inside of me  
And I will hold on tight  
It's not my place to question  
Only God knows why  
I'm just jealous of the angels  
Around the throne tonight  
Singin' hallelujah  
Hallelujah  
Hallelujah  
I'm just jealous of the angels  
Around the throne tonight

## *Celebrating Hilda*

### *Music Alice (Who the FUCK is Alice)*

Alice, who the fuck is Alice?  
Sally called when she got the word  
She said: "I suppose you've heard about Alice"  
When I rushed to the window  
And I looked outside  
And I could hardly believe my eyes  
As a big limousine moved up  
Into Alice's drive..  
Oh I don't know why she's leaving  
Or where she's gonna go  
I guess she's got her reasons  
But I just don't wanna know  
'Cos for twenty-four years I've been living next door do Alice  
Alice, who the fuck is Alice?  
Twenty-four years just waiting for a chance  
To tell her how I feel  
And maybe get a second glance  
Now I've got to get used to not living next door to Alice  
Alice, who the fuck is Alice?  
We grew up together  
Two kids in the park  
We carved our initials  
Deep in the bark  
Me and Alice  
Now she walks through the door  
With her head held high  
Just for a moment  
I caught her eye  
As the big limousine pulled slowly  
Out of Alice's drive

Oh I don't know why she's leaving  
Or where she's gonna go  
I guess she's got her reasons  
But I just don't wanna know  
'Cos for twenty-four years I've been living next door do Alice  
Alice, who the fuck is Alice?  
Twenty-four years just waiting for a chance  
To tell her how I feel  
And maybe get a second glance  
Now I've got to get used to not living next door to Alice  
Alice, who the fuck is Alice?  
And Sally called back and asked how I felt  
And she said "I know how to help - Get over alice"  
She said "Now alice is gone  
But I'm still here  
You know I've been waiting for twenty-four years..."  
And the big limousine pulled away  
And there was no room for me  
Because Smokie had fucked off  
See ya, lads!
