WELCOME & INTRODUCTION

Finding You in Beauty

Walter Rinder

The rays of light filtered through
The sentinels of trees this morning.
I sat in the garden and contemplated.
The serenity and beauty
Of my feelings and surroundings
Completely captivated me...
I thought of you.
I discovered you tucked
Away in the shadow of the trees.
Then rediscovered you on the smiles of the flowers
As the sun penetrated the petals...
In the rhythm of the leaves
Falling in the garden...
In the freedom of birds
As they fly searching as you do.
Now, you will never leave me,
For I will always find you
In the beauty of life.

TRIBUTE & REFLECTION

Farewell My Friends
Rabindranath Tagore

It was beautiful as long as it lasted
The journey of my life.
I have no regrets whatsoever
Save the pain I'll leave behind.

Those dear hearts who love and care...
And the strings pulling at the heart and soul...
The strong arms that held me up
When my own strength let me down.

At every turning of my life
I came across good friends,
Friends who stood by me,
Even when the time raced me by.

Farewell, farewell, my friends
I smile and bid you goodbye.
No, shed no tears for I need them not
All I need is your smile.

If you feel sad do think of me
For that's what I'll like
When you live in the hearts of those you love,
remember then, you never die.
