## HYMN

One more step along the world I go  
One more step along the world I go  
From the old things to the new  
Keep me traveling along with you

*And it's from the old I travel to the new  
Keep me traveling along with you*

'Round the corners of the world I turn  
More and more about the world I learn  
And the new things that I see  
You'll be looking at along with me

*And it's from the old I travel to the new  
Keep me traveling along with you*

As I travel through the bad and good  
Keep me traveling the way I should  
Where I see no way to go  
You'll be telling me the way, I know

*And it's from the old I travel to the new  
Keep me traveling along with you*

Give me courage when the world is rough  
Keep me loving though the world is tough  
Leap and sing in all I do  
Keep me traveling along with you

*And it's from the old I travel to the new  
Keep me traveling along with you*

You are older than the world can be  
You are younger than the life in me  
Ever old and ever new  
Keep me traveling along with you

*And it's from the old I travel to the new  
Keep me traveling along with you*
