HYMN

One more step along the world I go
One more step along the world I go
From the old things to the new
Keep me traveling along with you

*And it's from the old I travel to the new
Keep me traveling along with you*

'Round the corners of the world I turn
More and more about the world I learn
And the new things that I see
You'll be looking at along with me

*And it's from the old I travel to the new
Keep me traveling along with you*

As I travel through the bad and good
Keep me traveling the way I should
Where I see no way to go
You'll be telling me the way, I know

*And it's from the old I travel to the new
Keep me traveling along with you*

Give me courage when the world is rough
Keep me loving though the world is tough
Leap and sing in all I do
Keep me traveling along with you

*And it's from the old I travel to the new
Keep me traveling along with you*

You are older than the world can be
You are younger than the life in me
Ever old and ever new
Keep me traveling along with you

*And it's from the old I travel to the new
Keep me traveling along with you*
