Our Father Kept A Garden  
Read by Jay on behalf of Kenn's children Suzanne, Georgina & Jason

Our Father kept a garden, a garden of the heart  
He planted all the good things, that gave our lives their start.  
He turned us to the sunshine, and encouraged us to dream,  
Fostering and nurturing, the seeds of self-esteem.  
And when the winds and rain came, he protected us enough  
But not too much because he knew, we would stand up strong and  
tough.  
His constant good example, always taught us right from wrong  
Markers for our pathway that will last a lifetime long  
We are our Fathers garden, we are his legacy

Thank you Dad we love you

***TIME FOR REFLECTION***

Cracklin' Rosie  
By Neil Diamond

***POEM***

Feel No Guilt In Laughter

Feel no guilt in laughter, he'd know how much you care  
Feel no sorrow in a smile, that he is not here to share  
You cannot grieve forever, he would not want you to  
He'd hope that you could live your life the way you always do  
So, talk about the good times, and the way you showed you cared  
the days you spent together, all the happiness you shared  
Let memories surround you, a word someone may say  
will suddenly recapture a time, an hour or a day  
that brings him back as clearly as though he were still here  
and fills you with the feeling that he is always near  
For if you keep those moments, you will never be apart  
and he will live forever, locked safely within your heart
