Heaven has received another angel
The night sky another star
Your life has become a loving memory
I know you will never be far

I know you are watching me, as my life goes on
I will treasure the memories I have of you
I can't believe you're gone

So, Grumps I will say goodbye
I will love you and miss you with all my heart
But as long as I have my loving memories
We will never be too far apart
