Alf's Journey

Alf started life as a poorly baby who was christened in hospital, he's been a fighter throughout his life.

He enjoyed life, lived how he pleased and had no regrets.

A man who had the worlds worst jokes but everyone still laughed at them, there was never a dull moment with Alf.

He enjoyed being in the pub, mainly The Grove, having a couple of pints and then stumbling home. He enjoyed being with his family and his friends, having a laugh.

A loving brother to; Bill, Ann and Paul.

A loving Brother in law and Uncle.

He may of been daft at times but what a brilliant character he was. Cherish your memories, continue telling his jokes and enjoy your life as Alf did.

He fought a battle the best he could and gave it his all. He done himself and his family extremely proud.

He smiled, laughed had his tongue out and thumbs up right to the end.

A man who will truly and forever be loved and missed.

He always said, There is only ONE Alfie Simpson.

Alf had to go he left the chip pan on

Song - Nat King Cole - Smile

POEM Gods Garden

God looked around his garden
And found a empty place.
He then looked down upon earth,
And saw your tired face.

He put his arms around you
And lifted you to rest.
Gods garden must be beautiful,
He always takes the best.

He knew that you were suffering,
He knew that you were in pain.
He knew that you would never,
Get well on earth again.

He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered Peace be thine.

It broke our hearts to lose you
But you did not go alone
For part of us went with you
The day god called you home.
Alf.

The Committal.

*Those we love don't go away they, they walk beside us everyday
Unseen, unheard but always near, still loved, still missed and very
dear*
