Hymn

"All things Bright and Beautiful"

*All things bright and beautiful
All creatures great and small
All things wise and wonderfull
The Lord God made them all*

*Each little Flower that opens
Each little birs that sings
He made their glowing colours
He made there tiny wings
All things.....*

*The cold wind in the winter
The pleasant summer sun
The ripe fruit in the garden
He made them every one
All things.....*
