Poem
'When Someone Has Gone'

When someone has gone, you can bring them back for just a little while by talking them into life, by painting a picture with your memories and your words, breathing their essence back into existence for just a few moments

When someone has gone you can see them again for a minute or two by being all the things they once were by allowing your words, your thoughts and your deeds back out into this world

When someone has gone you can feel them again for just a moment by playing their music and singing their favourite songs, by giving yourself up to the notes that brought them alive once upon a time, it will again

When someone has gone you can keep a part of them alive by giving the love you had for them a forever place in your life, a forever seat at your table and a glorius chaper in your book

Stories never die, tell them all

Reflection
'Singalongamax Medley'

The Lord's Prayer

*Our Father, who art in heaven,
Hallowed be thy name.
Thy kingdom come.
Thy will be done,
On earth, as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
As we forgive those who trespass against us.
And lead us not into temptation;
But deliver us from evil.
For thine is the kingdom,
The power and the glory,
Forever and ever
Amen*
