RECEPTION OF COFFIN

WELCOME & INTRODUCTION

IN THE ARMS OF THE ANGEL

By Sarah McLaughlan

*Spend all your time waiting
For that second chance
For a break that would make it okay
There's always some reason
To feel not good enough
And it's hard at the end of the day
I need some distraction
Oh a beautiful release
Memories seep from my veins
Let me be empty
Oh and weightless and maybe
I'll find some peace tonight*

*In the arms of the angel
From this dark cold hotel room
And the endlessness that you fear
You are pulled from the wreckage
Of your silent reverie
You're in the arms of the angel
May you find some comfort here
Fly away from here*

ILL BE MISSING YOU
By Puff Daddy and Faith Evans

Seems like yesterday we used to rock the show
I laced the track, you locked the flow
So far from hangin' on the block for dough
Notorious they get to know that
Life ain't always what it seems to be
Words can't express what you mean to me
Even though you're gone we're still a team
Through your family I'll fulfill your dream
In the future can't wait to see
If you open up the gates for me
Reminisce sometimes, the night they took my friend
Try to black it out, but it plays again
When it's real feelings hard to conceal
Can't imagine all the pain I feel
Give anything to hear half your breath
I know you're still livin' your life after death

Every step I take
Every move I make
Every single day
Every time I pray
I'll be missing you
When I think of that day
The day you went away
(What a life to take)
(What a bond to break)
(I'll be missing you)
