Reflection - Fathers and Daughters

A tribute by Samantha

When I am gone

*When I come to the end of my journey
And I travel my last weary mile
Just forget if you can, that I ever frowned,
And remember only my smile.
Forget unkind words I have spoken,
Remember some good I have done.
Forget that I ever had heartache,
And remember only the fun.
Forget that I stumbled and struggled,
And sometimes fell by the way.
Remember I have fought some hard battles,
And won, ere the close of the day.
Then forget to grieve for my passing,
I would not have you sad for a day,
But in summer light a barbie,
And remember the part that I played.
And come in the shade of evening,
When the sun paints the sky in the west.
Stand for a few moments and think of me,
And remember only my best.*
