Nan in heaven

*Although you sleep in heaven now,
You're not that far away
My heart is full of memories
And your with me everyday
You lived your life with meaning
And with a smile upon your face
A world that was full of happiness,
Is now an empty place
People say that only time
Will heal a broken heart
But just like that nan it's been torn apart,
I know your at peace now
So sleep tight until we meet again Nan x*
