

WE'VE MOVED

We are so excited about our move to Margate!

The house is a project and it's going to take a bit of time before the infamous Capell-Abra parties can continue but that doesn't mean we wouldn't love you to plan a weekened by the sea!

A proper seaside town with lots of cafes, bars, restaurants, a sandy beach and amusement arcades.

Come play the 2p machines with us!
