Welcome and Opening Words

Poem - "I Have Not Gone"

*You think I've gone, that I am dead, and life has lost its will,
But look around, I am right there, living with you still.
I watch your tears, I feel your pain, I see the things you do.
I weep as well, each time you cry, my soul, it lives with you.
It gives such joy to hear you laugh, and do the things you do
And when you smile over by gone days, I smile right with you too
For we're still one, just you and me, one mind, one soul, one being
Walking forward into life, though only you are seen
And in the stillness of the night, when the pain it really starts
Stretch out a little with your mind and draw me to your heart
For I am always right in there, always by your side
For you have been, all my life's days, my joy, my love, my pride.

Our Farewell Blessing

Lord's Prayer

*Our Father, who art in heaven,
halloved be thy name;
thy kingdom come; thy will be done;
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation; but deliver us from evil.
For thine is the kingdom,
the power and the glory,
for ever and ever.
Amen.*

Words of Comfort and Closing

Poem – She Is Gone

*We can shed tears that she is gone
Or we can smile because she has lived
We can close our eyes and pray that she will come back
Or we can open our eyes and see all that she has left
Our hearts can be empty because we can't see her
Or we can be full of the love that we shared
We can turn our backs on tomorrow and live yesterday
Or we can be happy for tomorrow because of yesterday
We can remember her and only that she is gone
Or we can cherish her memory and let it live on
We can cry and close our minds, be empty and turn our backs
Or we can do what she would want:
smile, open our eyes, love and go on.*
