## *Afterglow*

Helen Lowrie Marshall

I'd like the memory of me to be a happy one.  
I'd like to leave an afterglow of smiles when life is done.  
I'd like to leave an echo whispering softly down the ways,  
Of happy times and laughing times and bright and sunny days.  
I'd like the tears of those who grieve, to dry before the sun;  
Of happy memories that I leave when life is done.

## *When I go*

Donna Ashworth

When I go  
don't learn to live without me  
just learn to live with my love  
in a different way.

And if you need to see me  
close your eyes  
or look in your shadow  
when the sun shines

I'm there.

Sit with me in the quiet and you will know  
that I did not leave.

There is no leaving when a soul is blended with another.

When I go  
don't learn to live without me  
just learn to look for me in the moments

I will be there.
