Reading

She is gone

You can shed tears that she is gone
Or you can smile because she has lived
You can close your eyes and pray that she will come back
Or you can open your eyes and see all she has left
Your heart can be empty because you can't see her
Or you can be full of love that you shared
You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday
You can remember her and only that she is gone
Or you can cherish her memory and let it live on
You can cry and close your mind, be empty and turn your back
Or you can do what she would want: smile, open your eyes, love and
go on

Kathie was a glass half full person always positive even as she knew
her prognosis

Reading

The Broken Chain

*We little knew that morning,
That God would call your name,
In life we loved you dearly,
In death we do the same.*

*It broke our hearts to lose you
But you did not go alone,
For part of us went with you
The day God called you home.*

*You left us beautiful memories
Your love is still our guide,
And though we cannot see you
You are always by our side.*

*Our family chain is broken
And nothing seems the same,
But as God calls us one by one
The chain will link again.*
