Poem - When I am gone

*When I come to the end of my journey
And I travel my last weary mile.
Just forget if you can, that I ever frowned
And remember only the smile
Forget unkind words I have spoken;
Remember some good I have done.
Forget that I ever had heartache
And remember I've had loads of fun.
Forget that I've stumbled and blundered
And sometimes fell by the way.
Remember I have fought some hard battles
And won, ere the close of the day.
Then forget to grieve for my going,
I would not have you sad for a day,
But in summer just gather some flowers
And remember the place where I lay.
And come in the shade of evening
When the sun paints the sky in the west
Stand for a few moments beside me
And remember only my best*

Poem - Grandad

*So heaven has received another angel
The night sky another star
Your life has become a loving memory
I know you will never be far.
I know you are watching over me
As my life goes on
I will treasure the memories I have of you
I cant believe you're gone.
You were a loving caring grandad
You were there for me a lot
You will always hold a place in my heart
A loving treasured spot.
You were really one in a million
A cut above the rest
All that knew you would agree
You simply were the best.
So grandad I will say goodbye
I love and miss you with all my heart
But as long as I have my loving memories
We will never be too far apart.*
