Poem- Footprints in the sand

One night I dreamed a dream.

I was walking along the beach with the Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the sand, one belonging to me and one to the Lord.
When the last scene of my life shot before me
I looked back at the footprints in the sand.
There was only one set of footprints.

I realized that this was at the lowest and saddest times of my life.
This always bothered me and I questioned the Lord
about my dilemma.

Lord, You told me that when I decided to follow You,
You would walk beside me all the way
but during the most troublesome times of my life
there is only one set of footprints.
I don't understand why, when I needed You most,
You were not there.

He whispered, My precious child,
I love you and will never leave you,
During your trials and testings when you saw only
one set of footprints
It was then that I carried you.

The Lords Prayer

Our Father.

who art in heaven.

hallowed be thy name;

thy kingdom come;

thy will be done;

on earth as it is in heaven.

Give us this day our daily bread

And forgive us our trespasses,

as we forgive those who trespass against us

And lead us not into temptation;

but deliver us from evil.

For thine is the kingdom,

the power and the glory,

for ever and ever Amen.
