Jiwan Prakash Thapa was an inspiration to all and showed us what being loved and cared for really feels like, he was selfless and always put everyone's needs before his. He was the ray of sunshine that bettered our lives each day by filling it with joy and cheer. With every joke, story, and wisdom he has shared throughout his life, it has turned into treasure that he planted in our memories, and he will always be a part of us.

### **A limb has fallen from the family tree**

by unknown

I keep hearing a voice that says,  
"Grieve not for me Remember the best times, the laughter,  
the song.

The good life I lived while I was strong.  
Continue my heritage, I'm counting on you.  
Keep smiling and surely the sun will shine through.  
My mind is at ease, my soul is at rest.  
Remembering all, how I truly was blessed.  
Continue traditions, no matter how small.  
Go on with your life, don't worry about falls I miss you all  
dearly, so keep up your chin.  
Until the day comes we're together again."
