*Hymn*

Abide with me, fast falls the eventide:  
The darkness deepens, Lord, with me abide.  
When other helpers fail and comforts flee,  
Help of the helpless, O abide with me.

Swift to it's close, ebbs out life's little day.  
Earth's joys grow dim, it's glories pass away.  
Change and decay in all around I see.  
O thou who changes not, abide with me.

I need thy presence every passing hour,  
What but thy grace can foil the tempter's power?  
Who, like thyself, my guide and stay can be?  
Through cloud and sunshine, Lord, abide with me.

I fear no foe with thee at hand to bless,  
Ills have no weight, and tears no bitterness.  
Where is death's sting? Where, grave, thy victory?  
I triumph still, if thou abide with me.

Hold thou thy cross before my closing eyes,  
Shine through the gloom, and point me to the skies.  
Heaven's morning breaks, and earth's vain shadows flee,  
In life, in death, O Lord, abide with me.

***Hymn***

Amazing grace! how sweet the sound,  
That saved a wretch like me.  
I once was lost, but now am found:  
Was blind, but now I see.

'Twas grace that taught my heart to fear,  
And grace my fears relieved  
How precious did that grace appear  
The hour I first believed.

Through many dangers, toils and snares  
I have already come.  
'tis grace that brought me safe thus far  
and grace will lead me home.

When we've been there a thousand years  
Bright shining as the sun;  
We've no less days to sing God's praise  
Than when we first begun.
